

“Nevada State Title-Preferred Program”

Nevada State Title has started a preferred program that can save our clients an additional 20% off their escrow fee.

Here is How-

If you have a listing in MLS, you can add Nevada State Title as the preferred escrow company. Once this is done, provide us with a copy of the MLS print out. The MLS printout must show in the comments section the following verbiage-

“Title work began at Nevada State Title. 20% escrow fee savings to the seller and buyer when closed at Nevada State Title”

Once provided to us you will then be provided with a prelim before you have a buyer!

*Please know this can be used for any current listing you have in the MLS, and any upcoming listings ☺

We look forward to working with you!
